**Sub: Allocation of more Polling Booths for Kashmiri Migrant Voters Residing In Different Parts Of The Country.**

Reference: Kashmiri Pandit Delegation Meeting With Election Commission Of India On April-1 And April-8.

Sir,

This has a reference to the above mentioned subject. In this regard it is stated that a large number displaced Kashmiri Pandits got scattered through the length and breadth of the Country after the exodus was forced on them in 1990. They made different parts of the Country as their homes of adoption. During all these thirty five years people residing in such parts did not get an opportunity to vote because of the non availability of Polling booths in those areas. As discussed with you about the subject I am providing you the list of such places along with the concerned persons to provide the logistic support for such an exercise.
